Your Honor, Ladies and Gentlemen of the court,

I would like as a U.S. citizen to register a complaint against the proposed settlement with Microsoft on several simple grounds. The settlement would grant Microsoft the monopoly it was found guilty of maintaining, and in fact give it a new platform for marketing it's operating system, by way of the so-called punishment, free distribution to schools.

As a computing professional I am appalled, and consider this settlement a travesty of justice.

Please your honor, reject this settlement.

Thank you,

Mark Jaroski
